Minutes A.D.

Between April and May 2008, 400 Lonely Things members and old friends Jonathan McCall and Craig Varian met online several nights each week, talking for hours while transferring recordings back and forth to each other.

During this period, Jonathan's father was in hospice and passed away.

"Minutes A.D." is the result of this period in time, these meetings and this collaboration; both vigil and memorial.

As should be expected, the recordings are equal parts love, loss, anxiety, grief, comfort, acceptance, memory, regret, farewell and amen.
